CIRCULAR

Sub: Higher Secondary Education- ICT enabled Education- Training of Teachers-reg.
Ref: Circular of even No. and dated 2nd January 2010

As part of the ICT in School Scheme projects for developing the ICT enabled education content also are fast progressing. The modules for different subjects are being developed jointly by the faculties in College and Higher Secondary Schools. Some ICT based initial modules in the subjects Physics, Chemistry and Mathematics are ready for training and dissemination. IT@School Project is the implementation agency of the ICT Scheme. Instructions in this regard were issued vide Circular referred to above. A Trainer Development Programme has been organized by IT@school for the above and the first spell of the TDP will be on 12th and 13th July 2010 for the districts Wayanad, Kozhikode, Malappuram, Palakkad, Trissur, Kollam and kasargode. The second spell will be on 15th and 16th July for the remaining districts. The following HSSTs have been selected as the participants for the first spell of the programme.

The Principals are directed to depute the teachers in the list to participate in the programme.
