Sir,

I am directed to convey the sanction of the President to the adoption of the following procedure for allotment of Brass Scrap Cartridges/Small arms brass lying in various depots of Army HQs to Centre/State Govt. Undertakings/Corporations who will examine the same on merit and will decide the quantity to be allocated to such Undertakings/Corporations. While allocating the quantities to various Public Sector Undertakings/Corporations, Ministry of Defence will ascertain the stock of metal scrap surplus to the requirement of Ordnance Factory Board and intimate to Dir OS (Disposal & IP), AHQ, New Delhi, the quantity decided for which release order can be issued in favour of respective PSUs/Corporations by them. Only the material surplus to the requirement of Ordnance Factory Board will be allocated to the PSUs/Corporations.

(II) Army HQs will intimate in the first week of every quarter ending March, June, September and December to the Ministry about the quantities of such Brass scrap lying in their various Depots to enable the Ministry to decide the allocation to various PSUs/Corporations.

For the material to be lifted from Depot Road, the rates of Mumbai published in Economic Times may be taken into consideration instead of applicability of the rates of Delhi mentioned in the Economic Times. The rates mentioned in the release order and the release order itself will be valid for 30 days from the date of issue of the same. The Procedure prescribed for fixation of RGP for disposal of salvage stores as conveyed vide MoD sanction letter No. 3(2)/89-D(O.II), dated 10.11.89 will not be applicable in this case.

(IV) The stores will be disposed on the Principle of "as is where is basis" and Cash and Carry system will be followed. The full cost of the material allocated will have to be deposited by the purchaser through Bank Draft in favour of the Commandant of the concerned Depot, before lifting of these stocks.

(V) The purchaser has to lift the entire quantity of stores allotted within the validity period of release order i.e. 30 days. In case, the store is not lifted within this validity period, ground rent will be charged @ 2% per day of the cost of the unlifted quantity of stores beyond 30 days by the Depot authorities. If the purchaser do not deposit the full cost of material and lift the same within the validity period of release order, the purchaser will be debarred from getting allocation of any further Brass Scrap for a period of six months and the quantity in question will be allocated to the other Govt. Undertakings/Corporations whose requests for allocation are pending with the Ministry.
