Sub:- Higher Education Department-Private Aided Colleges-Disbursement of DA Arrears of Retired Teachers/Non Teaching Staff -Reg

As per the report of the Director of Collegiate Education, it has come to the notice that some Principals of Private Aided Colleges are crediting the Arrears due to the retired employees into the closed Provident Fund Account and for that reason, Government is bound to give interest to such credited amount. Moreover many Writ Petitions are filed by the retired employees impleading the Director of Collegiate Education as Respondents. Hence the Director of Collegiate Education has requested Government to give a direction in this regard.

2. Government have examined the matter and have decided that such unhealthy practice of crediting the arrears due to the retired employees to the closed PF Accounts should be stopped. Hence it is informed that the financial liability for the interest to be payable in the cases of crediting the Arrears of the retired employees, into the closed PF Accounts, will be imposed as liability of the Principal of the Colleges who are crediting such arrears to the closed PF accounts.
